Student Behavior Worksheet

1. Describe a challenging student behavior that you experienced last year (and will most likely see again next year).

2. Examine the sample documents – *Teacher Talk, Turn Your Word Into Gold, Sample Scripts*. Identify at least 1 phrase/sentence you can use with the student behavior you described on page 1. Record the phrases/sentences below.

3. Check Yourself
    a. What are you ***feelings*** about the student behavior?

    b. What has been your ***body's response*** when the student behavior occurred?

    c. What has been your ***outward response*** when the student behavior occurred (what did you say or do)?

4. ABC Chart

Setting Information/Routine:

Time	Antecedent	Behavior	Consequence

5. Possible Interventions Chart
